

Orlanthi Runes Crib sheet.

This font allows the easy insertion of Runes associated with Orlanthis subcults from Thunder Rebels, with a few opponents as well to fill it out.

The font produces somewhat rough characters, but they look fine as part of a character sheet or text. They're probably not worth blowing up to 144 point for a display.

Key	Character	
A	ᚠ	Air, Storm, Orlanth
